HYDRATING
SQUALANE
MOISTURIZER

4.0 FL OZ | 118 ML

Scoop a pea-sized amount of *Hydrating Squalane Moisturizer* onto clean fingers. Gently massage into face & neck. Use after cleanser & serum to soothe dryness & seal in moisture.

SQUALANE

This weightless natural moisturizer harvested from wild olives is intensely hydrating, while acting as a natural inflammation modulator to reduce redness & improve skin health at the cellular level.

BOTANICAL CERAMIDES

These botanically derived lipids reinforce your skin's natural barrier to retain moisture, prevent irritation, & protect your skin's outer layer from environmental stressors such as pollution & ultraviolet light.

Apply a small amount of Firming Retinol Serum to freshly cleansed skin & allow to fully absorb. Follow up with Restoring Squalane Moisturizer for a burst of hydration.

RETINOL
The gold standard in healthy aging. Retinol exfoliates the skin, promoting cell turnover & collagen synthesis while reducing the appearance of fine lines & discoloration.

HYALURONIC ACID
This water-loving compound binds to collagen, trapping it below your skin's surface for dewy, bouncy skin that glows.

GLYCOLIC ACID
This powerful yet gentle exfoliator reveals newer, brighter skin by dissolving dead cells at the surface & unclogging congested pores.
